

Activities

Take 15 minutes to read this summer. Relax and enjoy a book, magazine, comic, e-book or audio book from your local library. Be inspired, informed, laugh, be scared, and have fun with books you like! Read alone or to someone, even a pet or a toy.

Become a reading millionaire! By reading 15 minutes a day, you could read one million words in a year!

I promise to read this summer for 15 minutes or more a day.

HOW IT WORKS

For children aged 5-12 years old with a Tasman Library card.

- READ for 15 minutes or more each day of the holidays. It should be a Tasman District Library book suitable for your age. **Enjoy three activities and three library check-ins over the summer to complete the programme.**
 - At check-ins you SHARE with us what you've been reading, and show or tell us about one activity you have completed to receive your reward. Maximum one book and one activity per check-in, and no more than one check-in per week, please.
 - No matter where you're holidaying in the region, you can pop into your local library to do your check-in: Motueka, Richmond & Takaka: 10am-noon and 2pm – 4.30pm on weekdays. Murchison: 11am – noon Tuesdays-Fridays
- If you can't get in or you are out of town, a check-in can be done online by emailing tasmanreadingprogramme@tasman.govt.nz – remember to tell us which library you are registered with and include your child's full name.
